

## Turpen gets seventh USCS Outlaw Thunder Tour win of the season at Fort Payne Motor Speedway

Fyffe, Alabama - June 9, 2017 - Two-time USCS National Champion, Morgan Turpen from Cordova, Tennessee battled to her seventh United Sprint Car Series presented by K&N Filters win of the of the 2017 season on Friday night at Fort Payne Motor Speedway in front of a standing room only crowd. Turpen held off current USCS Outlaw Thunder Tour National points leader Jordon Mallett from Greenbrier, Arkansas for the win. Mallett made a mid-race pass for the lead that was negated by a caution situation for another racer's loop on the same lap to bring out the yellow and re-align Turpen in the front of the pack. Turpen, the 2017 USCS wins leader, then held off a rim riding Jordon Mallett the rest of the way to win the 30-lap contest and park in the www.RockAuto.com USCS Victory Lane.

Behind the rim-riding Turpen and Mallett duo, veterans Terry Gray and Dale Howard were battling for the third position. With four laps to go, Howard charged low on the track almost passing Gray, before the eleven-time USCS National Champion made a daring move to hold Howard off in lapped traffic. The two talented veterans raced under the checkered flag with Gray from Bartlett, Tennessee in the K&N Filters Podium Award third position and Howard who resides in Byhalia, Mississippi following in fourth place. A past USCS Southern Thunder Tour Rookie of the Year, Lee Moore from Tuscaloosa, Alabama rounded out the top five.

The 2014 USCS Rookie of the Year, Brandon McLain from Indian Trail, North Carolina chased the top-five home in sixth place followed by Joey Schmidt from Ellisville, Mississippi in seventh place. Joe Larkin, a USCS regular and veteran sprint car racer from Suwannee, Georgia finished in eighth place. Sprint car Rookie of the Year contender, Don Warren from Clarksville, Tennessee finished in eighth place. The 2012 USCS Rookie of the Year, Jeff Willingham from Ripley, Mississippi followed in ninth place and Brian Thomas from Pendergrass, Georgia rounded out the top ten finishers.

Morgan Turpen won the Engler Machine and Tool First Heat. Lee Moore collected the win in the Brown and Miller Racing Solutions Second Heat. Turpen earned the most passing points in the heat race action. As the first heat race-winner, Turpen then drew a Zero in the K&N Filters Pole Award drawing. This placed her on the K&N Filters Pole Position and second heat winner, Lee Moore outside the front row. Dale Howard earned the Wilwood Disc Brakes Hard Charger Award.
